The Cinemagicians: Reel Magic Show

The history of movies is full of magic, from the first silent films to the latest CGI-heavy blockbusters.

The Cinemagicians are bringing that magic back in an innovative performance that shows you rare, vintage film clips on the big screen, mind-bending magic acts on the stage and heart pounding live music too!

This combination of live music, cinema and magic history is something you can only find in the "Reel Magic" show.

"Superb talent, fresh, creative and unique. Don't miss them."

Cumulus Broadcasting

"Completely charming-they will leave you breathless."

NPR

"Wild!"

Ft. Worth Star Telegram

"A must-see mix of mystery and comedy and memories."
